

Autism Awareness Training For First Responders

Preston's Pursuit
FOR ACCEPTANCE

Our Mission is to equip first responders with the knowledge, skills, and tools necessary to bridge the gap with individuals on the autism spectrum in our communities.

- **Make a difference in the lives of those impacted by autism.**
- **First Responders will feel equipped and prepared to support their special needs communities.**
- **Learn about what is not impairment when interacting with an autistic person.**
- **Who is this for:**
 - **Law Enforcement; Fire/EMS; Probation; Security; Professional Staff; and Educators.**
 - **\$125.00 per student**
 - **The class is 8 hours of in-person instruction.**
